

204525-2: TRIDENT-O1

Super lightweight shoes in superior knit that are a special knit and provides optimal breathability for the primary sweat zones. The outsole is made of extreme slip resistant EVA and rubber. The replaceable Edge insole is made of antibacterial materials that creates a good foot climate. The sole provides stability in the arch and heel. TPE GEL technology provides extra good shock absorption in the heel. The forefoot has a built-in reflex zone to create better comfort for a long working day.
